| Best Practice/Intervention: | Focus: Hepatitis C <input checked="" type="checkbox"/> Hepatitis C/HIV <input type="checkbox"/> Other: _____ Level: Group <input type="checkbox"/> Individual <input type="checkbox"/> Other: <u>Community at large</u> Target Population: <u>Community at large, persons with Hepatitis C</u> Setting: Health care setting/Clinic <input type="checkbox"/> Home <input type="checkbox"/> Other: <u>Anywhere – Educational Resource</u> Country of Origin: <u>Ottawa, Canada</u> Language: English <input checked="" type="checkbox"/> French <input type="checkbox"/> Other: _____ | | | |
| Part B | | | | |
| | YES | NO | N/A | COMMENTS |
| <i>Is the best practice/intervention a meta-analysis or primary research?</i> Please go to Comments section | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | Both. Resource is a collection of educational materials. Consultations took place with persons with Hepatitis. |
| <i>The best practice/intervention has applicability in a specific region</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | |
| <i>The best practice/intervention shows evidence of “scale up” ability</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | |
| <i>The best practice/intervention shows evidence of transferability</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | |
| <i>The best practice/intervention shows evidence of adaptation</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | |

| | YES | NO | N/A | COMMENTS |
|--|-------------------------------------|-------------------------------------|-------------------------------------|---|
| <i>The best practice/intervention has utilized a program evaluation process</i> | <input type="checkbox"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | Not a formal evaluation process. Feedback received from persons with Hepatitis. |
| <i>Consultation and feedback with community has taken place</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | |
| <i>The best practice/intervention is equity sensitive for multicultural and marginalized populations</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | Covers gender differences, discusses alcohol and drug use. |
| <i>The best practice/intervention is easily accessed/available electronically</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | http://www.sandyhillchc.on.ca/PDFs/Other/HepCATAGlance.pdf |
| <i>The best practice/intervention has been translated into other languages</i> | <input type="checkbox"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | |
| <i>Is there evidence of a cost effective analysis? If so, what does the evidence say? Please go to Comments section</i> | <input type="checkbox"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | |
| <i>How is the best practice/intervention funded? Please go to Comments section</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | Public Health Agency of Canada. Printing provided by Hoffman-La Roche Limited. |
| <i>Is the best practice/intervention dependent on external funds?</i> | <input type="checkbox"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | Resource could have been produced without external funds (volunteer). |
| <i>Do the methodology/results described allow the reviewer(s) to assess the generalizability of the results?</i> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> | |
| <i>Are the best practices/methodology/results described applicable in developed and/or developing countries?</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | Resource would be useful in other regions; however, recommendations provided/treatment may not all be applicable/available options. |
| <i>Other relevant criteria:</i> _____ | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | |
